# MARQUEE

theatrical productions

Marquee Theatrical Productions is a registered charitable organization that specializes in educational musical theatre youth programs, dance and acting. Marquee's amazing programs contribute in the development of children and young adults in ways that are identifiable and measurable. We have seen children with very little self esteem, insecurity, social integration challenges and public speaking anxieties, grow into confident, self assured people, who take pride in themselves and develop abilities they could never have imagined. The benefits of this kind of training are infinite, and it is Marquee's commitment to provide the tools that will give them opportunities to become confident leaders, presenters, trainers, performers and ultimately effective and contributing adults in their communities and businesses.

All proceeds from this fundraising initiative will be used to offset expenses to run these programs so that our user fees can remain unchanged, and we can subsidize less fortunate families from the community, Children's Aid Society, Girls Inc, Big Brothers Big Sisters and The Yellow Brick House, so that any child in the community can participate.

*"I have seen first hand what Marquee does for a child. My daughter's confidence went through the roof during her years there. Not to mention the teamwork skills and work ethic it helps develop. Oh ya, and she had blast!"*

~ James Duthie (TSN Sportscaster/Marquee Dad)

*"I choose Marquee because I see my daughter growing in confidence, building in self-esteem and learning all about teamwork in the true sense of the word, all whilst non-stop singing!"*

~ Stephanie Roach (mom)

*"I love Marquee because it is the place where I met my best friends and where I am most comfortable being myself."*

~ Carlea Blight (student)
