Who we are

Marquee Theatrical Productions was founded in 2003 by its current Executive Director, Sheryl Thomas. We are an award-winning, registered charitable, community theatre group and performing arts school, located in Aurora, Ontario.

Our goal is to inspire excellence, motivate learning, uplift the human spirit, build confidence and spark a lifelong appreciation for the arts. By helping children develop their artistic talents and coaching them to strive for excellence, we teach them how to achieve – in the performing arts, in school, and ultimately in life.

Marquee Theatrical Productions strives to provide an inclusive environment that meets the needs of all children. We believe in the interconnection of physical, mental, social and emotional health and work hard to provide an environment that promotes holistic health and wellness.

Marquee's Mission is to teach and promote positive and valuable life skills in the lives of the children in our community through our musical theatre based educational programs.

Why support this event?

There is perhaps no tool more powerful than theatre to reach children. It taps into the instinct with which they are born. The instinct to explore by pretending – the instinct that, unfortunately, all too often is attacked by a world that pushes them to focus more on how they measure up than on who they truly are and can be.

A Marquee Sponsorship Will:

- Support less-fortunate children by funding their tuition fees to educational programs at Marquee
- Provide you with a fantastic marketing package and high impact exposure.
- Provide you with exposure as a supporter of a well-known community theatre group to an audience of high-earning families and art patrons
- show that your brand is positive, socially responsible, and supportive of the LGBTQ2S+ community.
- Demonstrate Marquee's endorsement of your company to our brand-loyal audience
